The Monster Book of Manga Girls Ikari Studio Google Books

The Monster Book of Manga Girls doesn't actually go over anatomy and how to actually DRAW manga. It just tells you to copy the steps. It's OK, but I actually want to know how to draw. Sometimes I would draw the picture and I would draw it again, but use the pose to create something that's mine. I think the book would be quite good for reference. Things to draw are two young girls, a Chinese princess, an Adventuress, Twentysomething and a Lolita and loads more fun girls to draw.
