

[MOONRISE KINGDOM BOOK](#)

RELATED BOOK :

Moonrise Kingdom by Wes Anderson Goodreads

Moonrise Kingdom is about two twelve year olds, Sam and Suzy, who fall in love. They run off with each other and adventure on the island of New Penzance. They have many difficulties, but they help each other through these. This is a screenplay, so it was written for the movie but it has slightly different things that happen, but 99% it is just like the movie.
