## RELATED BOOK :

### **Mortality book Wikipedia**

Mortality is a 2012, posthumously published book by Anglo-American writer Christopher Hitchens, comprising seven essays which first appeared in Vanity Fair concerning his struggle with oesophageal cancer, with which he was diagnosed during his 2010 book tour and which killed him in December 2011.

### **Mortality by Christopher Hitchens Goodreads**

He faced his mortality with a steadfast gaze, as well as his trademark wit, humour, and incessant curiosity. His real most deep-seated fear was of losing his ability to express himself, of not being able to talk or to write. He does still get the last word. I love that this book comes out posthumously.
