**The Motel Life Movie Review Film Summary 2013 Roger**

"The Motel Life" does not shy away from the seedy aspects of its world, but it also understands the dark glamor there (especially in a show-stopper of a scene through a casino). We have all been in such places, even if it is only through the movies, or through our books. We know those red leather booths, those cigarette machines, the neon, the geometric tile floors, the crappy art on the walls
