Mother Goose Wikipedia

The figure of Mother Goose is the imaginary author of a collection of French fairy tales and later of English nursery rhymes. As a character, she appeared in a song, the first stanza of which often functions now as a nursery rhyme. This, however, was dependent on a Christmas pantomime, a successor to which is still performed in the United Kingdom.

Got this mother goose book for my son's first birthday and enjoyed reading it and looking at it very much. The art style has a whimsy that fits the verses very well and I like that they used people instead of animals.
