A Moveable Feast Amazon de Ernest Hemingway

Published posthumously in 1964, A Moveable Feast remains one of Ernest Hemingway's most beloved works. Since Hemingway's personal papers were released in 1979, scholars have examined and debated the changes made to the text before publication. Now this new special restored edition presents the original manuscript as the author prepared it to be published.

A Moveable Feast by Ernest Hemingway

Gorgeous. The prose is Hemingway-crisp, concise and evocative, but even with the Ezra Pound love fest midway through the book (fascinatingly against the grain in an America predisposed to loathe the poet for his ties to Nazism), A Moveable Feast isn't A Moveable Feast until Scott Fitzgerald and Zelda appear on the scene.

Book Review 'A Moveable Feast' ThoughtCo

Hemingway suggests that if that's the only thing one can do when writing, then you will be well on your way to writing something that is good. And that is probably the key to the success of A Moveable Feast. I think there is no author that makes you want to write more than Hemingway; every sentence he writes seem to suggest a joy and delight in his craft.
