## RELATED BOOK :

### **My First Human Body Book Patricia J Wynne Donald M**

This was a perfect book for our 3rd grade unit for the human body. My only complaint would be that the esophagus was called the food tube, I think it would have been better if Dover would just go ahead and use the anatomy words for the parts, even if they are big words, it gives kids a jump start on future years.

### **Amazon com Customer reviews My First Human Body Book**

Nice book! I wish it didn't say "my first" because this is good for older kids too. My kids were 5, 10 and 11 when we did a unit study on the human body and this book was used to review after we discussed each system.
