### **Nancy Bush Author of Nowhere to Run**

Bestselling author Nancy Bush has had an eclectic writing career. She started her first story when she heard how young mothers were making money writing romance novels. Now, she says she's just a mother.

### **Nowhere to Run Nowhere 1 by Nancy Bush**

Nowhere to Run is the first book I've read by Nancy Bush. I wavered between 3 & 4 stars, but ultimately downgraded to 3. That's not to say I disliked the book, or would avoid her books in the future- on the contrary, I liked it well enough to add her to my list of authors to follow. There were just too many issues with the story that I couldn't see myself going above 3 stars (though, if we had 10 stars, this would have gotten 7).
