## **RELATED BOOK :**

### **Nancy Clancy Sees the Future by Jane O'Connor Goodreads**

Nancy Clancy is about Nancy thinking she has special powers to see the future. Bree is my favorite character. She is my favorite because she is Nancy's best friend. My favorite scene is when Nancy is telling fortunes because it is cool. This book made me feel bored because Nancy has no powers. I would not recommend this book to a friend because there is no such thing as seeing the future.

### **Fancy Nancy Nancy Clancy Sees the Future Jane O'Connor**

Nancy thinks she may be able to read the future and all signs point to her being a true clairvoyant (that's fancy for a fortune-teller). Nancy tries her hand at fortune-telling but quickly learns it's a bit more complicated than she thought.

What she sees, however, isn't the future; she sees that she's gotten herself into a big, big problem. Nancy's Magic 8 Ball doesn't work ever since JoJo dropped it. And the paper fortune-tellers that Nancy and Bree love making never give answers you can count on.
