Natural Homemade Fabric Softener Recipe

This homemade fabric softener recipe is so easy to make and the resulting product is truly effective. We moved to an area with very hard water and I found myself buying fabric softener, something I had never bothered with before. Without adding it to my laundry I felt like our clothes were rough and scratchy, even when I used the dryer.

8 Homemade Fabric Softener Recipes

These homemade natural fabric softener crystals from Happy Money Saver are an alternative to store bought products like Purex Crystals. This recipe is just epsom salt and essential oils. It's another great example of companies slapping a couple of cheap ingredients together and charge a premium for it, not to mention a bunch of extra chemicals for scenting and coloring.

Natural Homemade Fabric Softener Recipe

One of the great things about this natural fabric softener is that you can make it as fragrant as you wish.

Personally, I have a pet peeve against people who smell like their fabric softener. I hate chemical smells and it always amazes me that people enjoy them. When you make your own fabric softener, you can scent it as you wish with essential oils. Or if you're like me, you can just skip the scent - don't worry the vinegar smell does not stay.

3 Easy Homemade Fabric Softener Recipes Network

2) The second recipe is only a bit more complex, and employs my other very favorite DIY cleaning companion, baking soda. Baking soda is another natural softener, plus it helps to clean and deodorize clothes. Just add 6 cups of vinegar to 1 cup of baking soda, mix, and then use -1 cup during the rinse cycle.
