Near death experience Wikipedia

A near-death experience (NDE) is a personal experience associated with death or impending death. Such experiences may encompass a variety of sensations including detachment from the body, feelings of levitation, total serenity, security, warmth, the experience of absolute dissolution, and the presence of a light. NDEs are a recognized part of

near death experience Deutsch bersetzung Linguee

It is striking that everyone who in a near-death experience encounters such a review of his or her life, reports that the 'Being of Light' never judges in a condemning sense and wraps them in his love, so that they can also bear the negative things they have done.

Near Death Experiences and the Afterlife

This book contains over 100 reliable accounts of out-of-body perceptions during NDEs that were later verified as accurate by independent sources. Many of these experiencers were clinically dead, unable to see or hear, and yet able to perceive events far removed from their body as well as new vistas of a world beyond the senses and even beyond death. This book is a trailblazing effort to
