near death experience Deutsch bersetzung Linguee

It is striking that everyone who in a near-death experience encounters such a review of his or her life, reports that the 'Being of Light' never judges in a condemning sense and wraps them in his love, so that they can also bear the negative things they have done.

17 Near Death Experience Accounts from Beyond the Light

My father was a medical student at the time, and he had read a book about near-death experiences. From comparing the information in the book with what I told them, they decided that's what I was describing. My mom told me all of this years later when I brought the subject up again.

Near death experience Wikipedia

A near-death experience (NDE) is a personal experience associated with death or impending death. Such experiences may encompass a variety of sensations including detachment from the body, feelings of levitation, total serenity, security, warmth, the experience of absolute dissolution, and the presence of a light. [1]
