The Rope is Nevada Barr's 17th Anna Pigeon mystery. It's a prequel that goes back to 1995 when Anna Pigeon was first hired by the National Park Service as a seasonal worker. She's 35 and fresh from New York City, still numb from the shock of her husband Zack's death (he was hit by a cab). Zack was an actor and Anna a stage manager. She loved her husband and loved her job and had to get away from it all.
