Never Fade was certainly better than The Darkest Minds but it still fell a bit flat to me. The first half dragged on and on and really it was kinda boring, then it would go really fast at others.

## **Never Fade Bonus Content A Darkest Minds Novel Band 2**

This book was so much better the first one! we left off in The Darkest Minds as Ruby (rather rudely, I might add) wiped all traces of herself from Liam's memory, a move that I imagine left many of us distraught. The Darkest Minds was full of action, and Never Fade has even more thrilling, suspenseful escapades and missions. http://ebookslibrary.club/Never-Fade-Bonus-Content-A-Darkest-Minds-Novel--Band-2--.pdf
