The worst problem was that the Scofield references were separate from and at the end of the bible. If I wanted to see what Scofield had to say about a particular scripture, I had to leave that scripture and scan to the end of the bible and then locate the scripture reference in Scofield section at the end. That was very cumbersome. I had expected the Scofield commentaries to be footnotes next to each scripture as they are in the hard cover Scofield Bible. I cannot recommend this bible to anyone.
