### **Night of Cake and Puppets ebook jetzt bei Weltbild de**

Obwohl "Night of Cake and Puppets" ganz anders als die Trilogie und 'nur' eine Zusatzgeschichte ist, verstr mt sie den gleichen Lesesog, den gleichen Zauber. Die Autorin versteht es auch auf gerade einmal 88 Seiten eine derart magische Atmosph re zu kreieren, dass man sich Zuzanas Puppen, Miks Geigenspiel und Prag nicht entziehen kann.

### **Night of Cake Puppets Kindle Single Daughter of Smoke**

While Night of Cake & Puppets does work as a standalone, I recommend reading at least the first Daughter of Smoke & Bone book first -- it will give you much more backstory for the events of this book, and everything will make a little more sense.
