Fab Book The One Hundred by Nina Garcia College Fashion

Nina Garcia. Pro's. One of my favorite things about The One Hundred is that Nina makes it clear it's HER list - she's not telling you what you must buy, she's listing the items she recommends. The book encourages you to develop your own style, and even make your own One Hundred list. I agree with that idea 100% - you shouldn't follow the book to a T.
