This was one of the most enjoyable Norse Mythology books that I have read. It's narrative is easy to recall and the author makes it easy for you to remember the stories and tell them to others which he encourages. I also enjoyed the audible version of it, Neil Gaiman reads each figure with enthusiasm and his vocal quality paints an even richer picture.

I was expecting a little more 'Gaiman Magic' but there's not much to it. It's plainly written and while I enjoyed it and it is informative, it simply didn't live up to my expectations.
