Nothing to Lose Jack Reacher 12 by Lee Child

Nothing to Lose had quite a lot of negative reviews which almost ruined the book for me before I even went into it. I need to start reading books without reading reviews first because I actually really enjoyed this one. That said, I can see why some people either dislike Reacher or this book but, I still love him.

Nothing to Lose novel Wikipedia

Nothing to Lose features several similarities to David Morrell's 1972 novel, First Blood, including the fact that the lead character (a former soldier) is mistaken for a loiterer and harassed by local law enforcement. The name of the town in both novels is "Hope" and the theme of corrupt and bullying authority is also shared.

Nothing To Lose by Christina Jones Goodreads

After reading a few disappointing books and a few intense, but brilliant, books, I was in the mood for something lighter and fun. Christina Jones is always a good choice for this type of mood. Christina Jones is always a good choice for this type of mood.

Nothing to Lose Dangerous Protectors Book 3 English

It s a wild cannot put it down kinda book, and I am sooo sorry to have this series end. Both of the characters have pasts that have molded them to who they are today. The meshing of this story line and the two who thwart evil is a mastery of writing.

"Nothing To Lose" is a fast paced--keep you guessing-and on the edge of your seat brilliantly written book. The characters are well defined and full of life, the suspense is so intense I could not put it down. Lee Child is one of my favorite writers and Jack Reacher is my favorite character.
