Now I See the Moon A Mother a Son and the Miracle of

"Now I see the Moon" was well written, informative and encouraging to see what is being done to help and enrich the lives of those who often feel they are "throw aways." It was amazing to see what can be done through drama, story and acting. I found it hopeful and I believe every reader who has a child or grandchild within the autistic spectrum will be encouraged.

Now I can See the Moon She Writes Press

Now I Can See the Moon: A Memoir is a deeply personal account of the devastating impact the panic had on one family. In trying to understand the suicide of her twenty-three-year-old niece, a victim of the panic, the author discovers that what she thought was an isolated tragedy was, in fact, part of a much larger social phenomenon that sucked in individuals from all walks of life, convincing them to believe the unbelievable and embrace the most aberrant claims as truth.

Alice Tallmadge Author of Now I Can See the Moon

In Now I Can See the Moon, Alice Tallmadge tells the story of a beloved niece lost to suicide. She weaves together strands of family love, false memories, mental illness, faith, and our inability to speak in a haunting story about what we need to be whole and what we are willing to give those we love.
