NRSV Bible with the Apocrypha eBook English Edition

In case you're wondering, the Apocrypha refers to those books of the OT that were written in Greek, rather than Hebrew. But the historical churches (Orthodox/Catholic/Anglican) have always used them. I made the mistake of buying a bible without checking if it had the Apocrypha, and it's sitting on my shelf and I bought this one instead. Very happy with it, love the NRSV translation, the type face is nicely readable, and it's bound well. Highly recommended.
