

[NT WRIGHT HOW GOD BECAME KING](#)

RELATED BOOK :

How God Became King The Forgotten Story of the Gospels

New Testament scholar N.T. Wright reveals how we have been misreading the Gospels for centuries, powerfully restoring the lost central story of the Scripture: that the coronation of God through the acts of Jesus was the climax of human history.

N T Wright s How God Became King James R Rogers

Theologian N.T. Wright s most recent book, How God Became King: The Forgotten Story of the Gospels , squarely takes on this implication of American Evangelicalism s premillennial theology. Yet as Wright relates in the preface, the book aims to draw the attention of Christian layfolk in all churches to a set of important, yet often overlooked, themes useful to understanding the richness of the gospels.

How God Became King The Forgotten Story of the Gospels

In this attractively written and, by all means, interesting book on the kingdom of God, Tom Wright sets forth his theological program for a popular audience. As usual for this remarkably gifted communicator, his thesis is to some extent visible in the title: the Gospels are all about how God became king over the world. This description of the message of the Gospels is entirely appropriate

How God Became King Audiobook by N T Wright Audible com

The problem Wright is addressing in How God Became King is that we usually tell the story of Jesus, especially when we use the creeds, by saying that Jesus was born (became incarnated) and then died and was raised again.

The incarnation becomes important only for the ability for Jesus to die and be raised again.

How God Became King Book Review Reformed Bookends

I found How God Became King: The Forgotten Story of the Gospels to be a very compelling view of the Kingship of Jesus Christ. Kingship is not only His Heavenly kingdom, but King of the earthly kingdom, now. Jesus preached that the kingdom was at hand. However, Wright claims that much of Christianity believes that the Kingdom is not a current phenomenon, but one waiting for the believer. Wright does a wonderful job of presenting four compelling factors in the Christ as King Christology.
