### **Pumpkin Oat Bran Muffins Recipe Taste of Home**

I didn't have oat bran, so I just put some oats in the food processor and made oat flour. I also used coconut oil in place of the canola. I added dried apples and some chopped walnuts. I will keep the recipe to make again, though, because it's nice to find really healthy muffin recipes that don't have too much sugar and oil.

I like Bran Muffins. Sometimes I make them using wheat bran, but for this recipe I'm using oat bran. Both types of bran are high in fiber and minerals so they are very satisfying and give you that wonderful "full" feeling. Besides the nutty flavor of oat bran, these muffins contain whole wheat flour, molasses, cinnamon, vanilla, and orange zest.
