List of fairy tales Wikipedia

Fairy tales are stories that range from those originating in folklore to more modern stories defined as literary fairy tales. Despite subtle differences in the categorizing of fairy tales, folklore, fables, myths, and legends, a modern definition of the fairy tale, as provided by Jens Tismar's monologue in German, is a story that differs "from

The Classic Fairy Tales Norton Critical Editions Amazon

Love the collection of fairy tales in this book, and how it groups together folk/fairy tales with the same essence but several of its variations. The essays in the back are very enlightening and enjoyable to read. This text was required for a class, but I might buy one to gift to a friend. Excellent!
