## RELATED BOOK :

### **On Cooking A Textbook of Culinary Fundamentals by Sarah R**

An excellent book for learning the fundamentals of the culinary arts. This is a very concise book with over 750 recipes on top of tons of information. I recommend this to anyone who is interested in more than just simply messing around in the kitchen, but for one who really has a passion for cooking. I come back to this book all the time in my cooking (and baking) endeavors.
