RELATED BOOK :

On Killing The Psychological Cost of Learning to Kill in

This is required reading in military leadership courses and extremely insightful. I would strongly recommend this book for any service members (I'm a retired Soldier), law enforcement, or psychologists and clinical social workers (my wife is an LCSW) who work with military or law enforcement.

On Killing The Psychological Cost of Learning to Kill in

An interesting study on killing during war, from the Civil War to the present. Contrary to what one sees through Hollywood's eyes, there is an extreme reluctance for one human being to kill another, even in time of war.
