The Once Upon a Time storybook is an important magical item featured on ABC's Once Upon a Time. Merlin and his apprentice had the responsibility of choosing an author whose sole task was to record the stories of people (mainly fairy tale characters) living in Story Realms using a magic quill.

### **The Once Upon a Time Map Book by B G Hennessy**

The Once Upon a Time Map Book has been one of the most looked at library books that we have checked out this year. In fact we renewed the book three times until we reached our renewal limit and had to return it to the library. While pretty basic in concept, follow the given directions to explore the illustrated maps of various storybook lands, the kids absolutely adored this book. It provided some great practice in learning compass directions and navigating maps.
