RELATED BOOK :

The One World Schoolhouse by Salman Khan A Review

Khan could be clearer when it comes to explaining the relationship between Khan Academy and his vision of the "one world classroom." It appears that Khan Academy is the software-based embryo of the one world classroom. It is not the fully functioning system, by itself.

The One World Schoolhouse Education Reimagined by Salman Khan

Salman Khan is most well known as the creator and leader of the Khan Academy, a tool used frequently across education facilities. I think he prefers to go by Sal so he isn't confused with the famous Bollywood actor Salman Khan (rawr). The One World Schoolhouse documents the process Khan went through in creating this resource.
