The Outline of History Vol 1 of 2 by H G Wells

H.G. Wells takes us on a journey through the entire span of history. It moves quickly, but at around 1,000 pages with small font, it is still quite dense. It is meant for the average reader and not for the professional historian.

The Outline of History Audiobook by H G Wells

Having coined the phrase "the war that will end war," H. G. Wells was disillusioned by the World War I peace settlement. Convinced that humanity needed to awaken to the instability of the world order and remember lessons from the past, the author of science-fiction classics set out to write about history.
