Tips for Painting Water and Reflections Fine Art Tips

The painting of oceans, rivers, lakes and ponds can be beautiful, but managing to get the water and reflections to look like actual water can be challenging. Careful observation of what you actually see, rather than what you think you see will help you paint believable water.

Painting Water and Reflections in Watercolor ThoughtCo

Using your same colors as before, but this time creating small horizontal strokes, paint in the reflection of the windmill and then the water. You may want to mark a few pencil dots where various parts of the windmill will be in the reflection, to act as guides.

Painting Reflections in Water

I like to paint reflections in water quickly and with as little fuss as possible. They don't have to be exact. As long as they are there or thereabouts they will help bring your water to life.
