Paper Towns by John Green Goodreads Share book

The characters are what makes Paper Towns so intriguing though. I never found this book boring just slow more This book was not at all what I was expecting. I never found this book boring just slow at parts, but they end quick to tell about exciting things.

Amazon com Paper Towns eBook John Green Kindle Store

Overall Paper Towns held my interest in listening to it. Had I read it I might have started to skim some of the stuff. Since, I recently read Finding Alaska I found this book to have a similar feel: high schoolers, a boy infatuated with an unattainable girl, searching for answers to where the girl went, a group of corky friends. I've only read 3 books by Mr. Green and maybe this is his signature style.
