

PATRICK LENCIONI THE ADVANTAGE

RELATED BOOK :

Organizational Health The Table Group

The Advantage provides readers with a groundbreaking, approachable model for achieving organizational health. Organizational health is about making a company function effectively by building a cohesive leadership team, establishing real clarity among those leaders, communicating that clarity to everyone within the organization and putting in place just enough structure to reinforce that clarity going forward.

The Advantage Why Organizational Health amazon de

The Advantage is another of Patrick Lencioni's business books, yet unlike all others (that I've read) this one is not written as a business novel. Instead it is a bit more like a normal business book but then it summarizes some of the core ideas of Lencioni's earlier books. A good idea, but in practice I didn't like the book much and much prefer the usual format for Lencioni books.
