### **Crochet patterns Crocheting made easy CrazyPatterns**

Crochet patterns for left-handed and right-handed people. The classic crochet school is usually designed for right-handers. Therefore, most of the crochet patterns and videos you will find with this orientation, but more and more often there are patterns developed especially for left-handers. In the past, working with the left hand was almost perceived as an illness, but in the present people are fortunately much more open, so that left-handers don't miss out on handicrafts either.
