### **Homemade Pedialyte 100 Days of Real Food**

Homemade Pedialyte Recipe. Mix together: 1 quart water; 2 tablespoons sugar; 1/2 teaspoon salt; Note: If you fear your child will think this drink is too plain consider adding in a couple splashes of orange Juice. Also, the sugar and salt may dissolve more easily if you warm up the water first. You could also pour this solution into freezer pop molds and make homemade Pedialyte popsicles.

### **How to Make Homemade Pedialyte Recipe for DIY Pedialyte**

This homemade recipe comes in pretty handy since most parents don't have the actual brand in the house when their little one comes down with a stomach virus. As for single parents, they typically can't leave their baby at home to run to the store and often times they don't have anyone available to make a run for them when their child becomes ill.
