### **Drawing from Line to Life HOW TO DRAW PENCIL DRAWING**

If you're a graphite artist or an artist who wants to learn more about how to construct a drawing, a book like this is a jewel. "Drawing from Line to Life" is the book I have been waiting for a book where a life-long artist performs a magical brain-dump into a format where you can reference it your whole life.

### **Pencil Drawing Project book for beginners by Michael Butkus**

This book focused heavily on technique, particularly shading, pencil hardness, and heaviness of the artist's touch. What I liked about it was that there weren't "how-to" sketches that had a few scant lines added to each step and then, at the end, had a completed image that looked NOTHING like what you could come up with yourself.
