Overview of Perelandra by C S Lewis Space Trilogy

The book contains challenging discussions about good and evil--set against a background other than Earth. C.S. Lewis created his fascinating Perelandra as the second installment of his Space Trilogy, in which the creation story occurs on three different planets, Mars, Earth, and Venus--with three different endings.

Perelandra Space Trilogy Series 2 by C S Lewis

C.S. Lewis' Perelandra is well written, flowing, philosophical and entertaining all at the same time. I lived every moment with Ransom as he lived on Venus. I worried with him, I sweated with him, I bled with him, I swam with him, and I rejoiced with him. This is truly a literary treasure for all. Christians I think will find it especially stirring.
