Pink Brains Blue Brains Mindful

Most of us think women's brains are geared for empathy while men's brains play dead when they have to interpret and process emotions. But the truth is, in fact, quite a bit messier despite what some of the research claims.

Pink Brain Blue Brain How Small Differences Grow into

Pink Brain, Blue Brain is the book I wanted to read years ago before I had my first child. Lise Eliot conducts a thorough review of the scientific evidence on gender differences (innate or developing through brain plasticity) based on biological sex and explains the science and its implications at every step.
