This is the standard volume of Plato owned by my philosophy buddies. It's too large to carry around with me and read on the go, but that's to be expected from a volume containing Plato's complete works. Many reviewers have mentioned the print being much too small. Measuring the letters on my copy, it looks like it's 9 pt font.

only unworthy of Plato, and in several passages plagiarized from him, but flagrantly at variance with historical fact. It will be seen also that I do not agree with Mr. Grote's views about the Sophists; nor with the low estimate which he has formed of Plato's Laws; nor with his opinion respecting Plato's doctrine of the rotation of the earth.
