How to Paint Portraits from Photographs A Step by Step

11. Paint in your background. In most of my portraits the backgrounds are minimal. I like to crop in pretty tight on my subject and block in a color to keep it simple. If you haven't already painted it in, try to choose a color that doesn't compete with your subject and add it around the portrait. If you block in a color and you don't like it, just wipe it off and use another. In this case I used white and ultramarine.
