Practicing the Power of Now Essential Teachings

The three star rating for this book has little to do with its actual content and more a reflection that it turns out to be an unnecessary purchase. It lifts sections of "The Power of Now", often verbatim, and offers nothing new. If it has some value it saves the reader from paging through "The Power of Now" to find the exercises.

How to practice the Power of Now by Eckhart Tolle when

Although it is true that "the Power of Now" by Eckhart Tolle teaches you to remain focused on the present more than past or future, there is more to it than merely neglecting both these notions altogether. Even if we remain focused on the present, part of our subconscious still lives in the past and plans for future without us knowing it.
