A Dangerous Book The Prayer of Jabez Breaking Through

A true call to prayer should be welcomed anytime, and such a call to prayer takes seriously what the Word of God teaches on prayer. The Prayer of Jabez fails miserably in this regard. The book unashamedly deviates greatly from historic Christian teaching on prayer that is consistent with the Word of God and the Reformed confessions and catechisms.

The Prayer of Jabez Breaking Through to the Blessed Life

The prayer of Jabez itself is relatively short. This book is also short yet it is full of wisdom and insight and, yes, remarkable. Breaking Through to the Blessed Life is a good subtitle. I had not previously submitted a book review or rated The Prayer of Jabez, so as I was 'once again' reading the inspirational writing, I decided to do so.
