Excavator Comparisons Purchasing

Excavator prices start between \$100,000 and \$200,000 and can go as high as \$1,000,000 or more. A good used excavator is typically 2 to 3 years old, has less than 1,000 hours of use and is often 25% less than its new counterpart. With the quick advancement in technology, just make sure you're getting all the features you need. It's worth noting that leases and excavator rentals are extremely popular within this category, providing the latest advancements without the high cost of purchase.
