### **Rational Choice in an Uncertain World The Psychology of**

For my graduate course in Judgment and Decision Making this was one of our texts - and I have to say I appreciate that very much. I won't be selling this one back - and in fact have already started to work on my own decision making processes using the principles my class and this text have taught me.

### **The Psychology of Judgment and Decision Making by Scott Plous**

Hands down the best introduction/overview of judgment and decision making that's out there. Although it was published in the 90's and so neglects a great deal of the more modern work, it gives a solid background of the classics, and prepares the reader for more advanced readings.
