### **Raw Food Diet Books**

Great book for people who've read about raw food and want more. This book is one of my favorite raw food diet books, because it covers all the basics and a lot more, it has a lot of detail and is written by one of the most respected raw foodists. An MD who has done more than 30 years research about raw vegans.

### **Recommended Raw Food Books Real Foods Witch**

Raw Food Cleanse offers four customized plans that provide you with everything needed for an easy and powerful detox. Penni is a great example of someone who lives in a cooked food world and makes her raw food stance work for her and her tribe. There are several options in this book, so check it out to see if it's right for you.
