Miss Daisy Is Crazy My Weird School 1 by Dan Gutman

I love the My Weird School and My Weirder School series and so does my 8 year old son. I am so happy to final find a book series that holds our interest. When we started the series my son was refusing to read on his own so we read the books taking turns reading every other page. Now that he know and identifies with the characters he will stay up late into the night to finish a book on his own
