The Intelligent Investor free pdf download and book review

The book, The Intelligent Investor is well known for the concept of value investing . Value investing is all about purchasing a stock at a significant discount to its intrinsic value. It also demands a margin of safety for all stock purchase. So a great company is not always a great purchase if it is traded significantly higher than its intrinsic value.

The Intelligent Investor by Benjamin Graham Goodreads

I saw that Benjamin Graham was Buffet's professor at Columbia and one of his closest friends. In fact Buffet named one of his kids after Graham. The Intelligent Investor teaches the philosophy that Buffet learned at school and went on to find massive success with. It does not teach people to ride market waves or speculate.
