The basic Arnold Palmer recipe contains two main ingredients: iced tea and lemonade. It is widely believed that the two are mixed in equal parts, but in a recent ESPN video the real Arnie Palmer himself set the record straight, clarifying that the drink as he invented it contains 3 parts iced tea to 1 part lemonade. In a single glass, that would amount to filling the glass 3/4 of the way with iced tea and 1/4 of the way with lemonade.
