### **Chocolate Chip Cookie Bars Modern Honey**

These Chocolate Chip Cookie Bars are made like traditional chocolate chip cookie dough by creaming the butter and sugars for at least 4 minutes. This recipe calls for a good amount of sugar which gives it that ooey gooey texture that melts in your mouth. A hefty dose of vanilla is added for the depth of flavor and semi-sweet chocolate proves to be the best balance for the brown sugar dough.

### **Original NESTL TOLL HOUSE Chocolate Chip Pan Cookie**

Rated 5 out of 5 by Miranda W from THE BEST BARS! This recipe is perfect. In my oven, they were perfect at 375 degrees for 18 minutes. If your bars came out greasy, I'm guessing you melted the butter. It is very important that when a recipe says "softened" it is NOT melted. Just soften it at room temperature.
