How to Make Natural Homemade Deodorant Wellness Mama

How to Make Natural Homemade Deodorant. Both of the recipes below work really well. I prefer the softness of the first recipe, but if you don't have shea butter lying around, the second recipe works just as well and has fewer ingredients. You can customize your deodorant to your scent preferences with essential oils, if desired or omit them for an unscented version.

Homemade DIY Deodorant Recipe secret ingredient NO

I love this deodorant recipe. I used coconut oil infused with calendula and plantain for a little extra. I was looking at the stronger deodorant recipe but I'm not a fan of Neem oil. It is just way too strong and overpowering for me. I did try it in another deodorant recipe and ended up trashing it.

Homemade Deodorant Recipe For Sensitive Skin

Homemade Deodorant Recipe For Sensitive Skin (Baking Soda Free) This is a gentle formula that works well for those that are sensitive to baking soda. Diatomaceous earth is a powder made from fossilized phytoplankton. It's rich in silica and highly antimicrobial, which is why it works so well. Its pH can vary depending on where it is sourced from, but it is typically lower than baking soda.
