### **Sync Inventory and Recipes with Excel Chefs Resources**

The Excel Recipe Template with Inventory file below will allow you to add multiple recipes to one Excel workbook and link all the recipes to one master inventory sheet. To update the pricing on all your recipes, simply update the prices on the inventory tab and all your recipes will be updated with current prices. I suggest that you keep the number of recipes per workbook under about 100, otherwise the file can become so large that it may run slowly.
